IRB Education Program

Completion of an IRB approved education program is required of all individuals involved in Human Subjects Research and its review including IRB Chairperson and members, IRB Administrator, DRB chairpersons and

University Employees and Students:

- University faculty, staff, and students, including IRB and the CITI Group 1 Behavioral and Social Investigators
- In addition, if the research project is funded under selected collaboration.

See the University's IRB Policy for more details, or contact the IRB Administrator: Kathryn.yerkes@scranton.edu
